# News & Events

## National Police Week

In celebration of National Police Week, the children received a visit from a special guest, Officer Frolic. He came to the school and talked to the children about safety, passed out Sherriff badges, coloring books, and ID kits.

As part of the Science curriculum, our preschoolers learned about the metamorphosis of a butterfly.

## Cinco De Mayo

Cinco De Mayo celebrates the Mexican Army's victory over the French Army in the "Battle of Puebla" on May 5, 1862. People of Mexican descent celebrate this significant day with festivities such as parades, mariachi music, and folkloric dancing. Our celebration included a performance by the Castillo Kids Mariachi Band.
